MEMORANDUM FOR THE RECORD

SUBJECT: Senator Moynihan's Request re Communist Buildup for
Fall Campaign in Central America

1. Gary Schmitt, Minority Staff Director for the SSCI,
called this date with the following comment:

Senator Moynihan is very interested in all the new
information the Administration is putting out on the
Cuban buildup for a campaign in El Salvador this
fall. He would like a memorandum tomorrow covering
all intelligence pertaining to these allegations.
It should contain, for example, any information that
Nicaraguans are about to receive MIGs, missiles,
etc. It is obvious the Administration is giving
backgrounders to reporters on these topics. The
Senator wishes to be brought up to date.

2. This request is being forwarded to the DDI for action
and an info copy to the DDO for possible input inasmuch as
C/LA Division recently testified to the SSCI that such a
buildup was underway.
